

CAMPROSA 2019 CONFERENCE REGISTRATION INFORMATION

23rd July 2019

Dear colleagues

Please note, my earlier email circulated and posted on the official CAMPROSA web site in respect of the amended registration form and costs refers. I wish to again apologise for any confusion caused and have attached the updated registration form again for your information and registration process.

Please note that all official invoices must be requested from Shanaaz Wilson on email: shanaaz.wilson@uct.ac.za for submission and processing of your registration through your institutional finance department.

Please also note that if required that you provide Shanaaz with your university VAT number for the invoice processing purpose. It is as important that when payment is made that the necessary POP (proof of payment) is sent for my directly attention and confirmation of your booking on the official bookings list to be provided to the conference facility hotel group.

I wish to thank you again as member, be it institutional or associate and look forward to meeting you at this year's conference.

Kind regards

Derek Huebsch

Executive Secretary

CAMPROSA
